The successful candidates of Hardeman county treated the crowd to a wagon load of watermelons, in Bolivar, the day after the election.

M. T. Bennett, an old and highly respected citizen of Lebanon, was murdered last Saturday night while on his way home, for his money.

At a picnic on Wolf creek, in Lawrence county, near the Alabama line, Andrew Pierce and Andrew Pugh quarreled and fought, and both were badly stabbed.

J. C. Watson, of Jackson, and R. J. Wharton, of the 7th district of Madison county, have the honor to be the first colored officers ever elected in that county.

Judge Horrigan, of Memphis, has decided that the President's Island Farm is no work-house either for the city or the county. So Memphis will have to make other arrangements.

Memphis Avalanche: The officer of the local board of health now boards the trains on the Mississippi and Tennessee railroad near the state line and investigates the health conditions of passengers from New Orleans.

A few days ago, two little boys in Smith county, were playing around a large tub of water, and one of them fell in and came very near drowning. The screams of the other child brought assistance just in time to save the drowning child.

A leading farmer in Middle Tennessee, writing to the Journal of Agriculture, states that a crop from ten acres of amber cane was of more value to him for feeding stock than any other crop from double the quantity of land. He claims that it is far more nutritious, and yields more fodder, than the best variety of field or sweet corn.

A man, who gave his name as Wells has been buying wheat from the citizens of Lincoln county and selling it to the mills of Fayetteville, getting the money on it, and the other day he skipped, leaving some of the dealers short a couple of hundred dollars, besides a livery stable man looking for a horse and buggy, which he borrowed to get away with.

Blountville Star: Few are aware that the first house of worship in the State of Tennessee was built in Sullivan county. It was built where Weaver's Chapel now stands, midway between Bristol and Union, eight or nine miles east from Blountville. It was built for the Rev. Joseph Rhea to preach in. He died in 1776. In connection with the centennial celebration of the new Bethel Church, it is proposed to have a sermon preached at Weaver's Chapel on the fourth Sabbath of this month, at 11 a. m.

A Union City special to the Banner says Emerson Etheridge made a prohibition speech there last Saturday night in which he said they would doubtless call him a bolter, as he had heretofore voted the Republican ticket. As far as the State debt was concerned he liked the Bate platform best, but as the temperance question was the great question at issue, and it was only the price of one drink's difference on the dollar in the two platforms, he should vote for Mr. Fussell. The audience listened with rapt attention to one of the finest efforts of the speakers' life. He urged the friends of prohibition to organize and make the fight all along the line.

Chattanooga Times: There are ninety publications in Tennessee. Nine of these are daily issues, the balance being tri-weekly, semi-weekly, weekly, semi-monthly and monthly. WINTERSMITH'S

Tonic Sirup

Or, IMPROVED CHILL CURE.

A Certain Cure for every form of Fever and Ague. The Cure is Permanent. The chill once broken will not return. This preparation has all the virtues of quinine, without any of its disagreeable effects. All who have had Chills and Fever and have taken quinine, calomel or arsenic, (which are the principal ingredients of most of the medicines now in use) are aware that the medicines often leave the system in an unhealthy condition, making it more difficult to relieve it of their effects than of the original disease. Wintersmith's Improved Chill Cure leaves the system in a perfectly healthy condition, with no bad effects in any way to be worn off. Unlike chill remedies generally, it requires no purgative to be taken with it, the medicine itself acting gently and agreeably upon the liver and bowels, effectually removing the cause of the disease, not merely temporarily checking it.

D. HARTER'S

GENTLEMEN: I have used DR. HARTER'S IRON TONIC in my practice, and in an experience of twenty-five years in medicine, have never found anything to give the results that DR. HARTER'S IRON TONIC does. In many cases of Nervous Prostration, Female Diseases, Dyspepsia, and an impoverished condition of the blood, this peerless remedy, has in my hands, made some wonderful cures. Cases that have baffled some of our most eminent physicians, have yielded to this great and incomparable remedy. I prescribe it in preference to any iron preparation made. In fact, such a compound as DR. HARTER'S IRON TONIC is a necessity in my practice. DR. ROBERT SAMUELS, 3104 Wash Avenue, ST. LOUIS, MO., NOV. 20th, 1881.

It gives color to the blood, natural healthy tone to the digestive organs and nervous system, making it applicable to General Debility, Loss of Appetite, Prostration of Vital Powers and Impotence. MANUFACTURED BY THE DR. HARTER MEDICINE CO., 213 N. MAIN ST., ST. LOUIS.

Purifies the BLOOD.

EDWARD

WILDER'S SARSAPARILLA and POTASH completely cures and eradicates all these. The combination which by his process, is made between these two reliable medicines, is one rarely attained, but which brings out their most useful properties. They clean the entire glandular system, they purify the blood whose impurity is at the source of all these afflictions, they increase and render all the secretions healthy. Numberless testimonials pour upon him for their wonderfully restorative and strengthening effects from sufferers who have been benefited by this wonderful medicine. We need not say that in cases of MERCURIAL TAIN its effects are magical, for it removes all the bad blood, and re-invigorates the constitution by making it pure, and clean, and fresh. It is an unfailing and speedy cure for all **Skin Diseases**; it removes **Tetter and Ringworm**; prevents **Falling of the Hair**, and a sure relief for **Swellings, old Sores, Syphilis and Venereal Discharges.**
